MEMORANDUM FOR: Assistant Chief of Staff, Intelligence
Department of the Army, Washington 25, D. C.

ATTENTION : Chief, Topographic and Geodetic Division

SUBJECT : Suggested Revision to IPC List on Bulgaria

1. In view of the recent re-examination of priorities for mapping and geodesy by the IPC committee and our discussions on this subject, a copy of a suggested revision for inclusion in the IPC List on Bulgaria is forwarded for your information. The draft on Bulgaria is now ready for final consideration.

2. Suggested revisions for the USSR and other Satellites are being prepared. Copies will be sent to you shortly. The revision for Albania is already in your hands.

3. These suggested revisions are being sent through CIA channels to the appropriate offices in this Agency. You may wish to pass these revisions, or your versions of them, to the AC3I representative on the committee. For your information, all material prepared by this office in this connection is fully coordinated with Mr. Mack of AMS. He does, in fact, assist in their preparation.
